

“
Sunrise Day Camp has a special place in our hearts. We feel a huge sense of relief each summer because we know our kids are in such good hands!
”
- Tatiana Pereira DaCunha, Sunrise Day Camp-Chicago Family Ambassador

Dear XXXXXXXXXX,

September 19, 2025

Each day, 8,000 children in Illinois are living with cancer. The realities of a pediatric cancer diagnosis turn a family’s world upside down in an instant, and the emotional toll of treatment, hospital stays, and day-to-day uncertainty is overwhelming.

At Sunrise Day Camp-Chicago—the only full summer day camp in the Midwest for children with a pediatric cancer diagnosis and their siblings—families find community, belonging, and much-needed reprieve. **Sunrise offers eight weeks of carefree summer joy and friendship at no cost for families—every day at camp and every Sunrise program year-round is 100% free.**

Our third Sunrise summer welcomed more than 100 campers to the Lake County JCC, a 30% increase over the prior summer, and growth we expect to see again next year.

Our campers benefit from a supportive community where they can participate in activities of their choosing in an environment that meets their specific medical needs. Our on-site registered nurses collaborate with each child’s care team and licensed social workers help ensure connection among campers and counselors. Our programming introduces campers to new experiences and opportunities, building skills and self-esteem at a critical time in their lives.

For children living with cancer, so much of their lives are consumed by medical treatments, curve balls, and missed milestones—at Sunrise, they revel in summer fun, friendships, and the ability to just get to be kids.

Please make a gift today to keep the smiles going.

With gratitude,

Addie Goodman
